

2026 KCIBR – YARA Volunteers

Net Control: **VY1WJS, VY1RSS, VY1FC, VY1MGS, and VY1PJB**

Start Line in Skagway (0km) – VY1FC - Malcolm (open 8:00pm to 12:30am) – 441.9+ (Miners Ridge UHF Repeater) primary - 146.52 (Miners Ridge Remote Base) secondary. From certain locations (out near the water) you can also access 147.24+ (Panacea). If you are operating 146.52 (Miners) you will not be heard directly by others that are also on 146.52 (Miners) unless there is a simplex path to them (ie. Whitepass Viewpoint). The new UHF repeater is full duplex so everyone on it will hear everyone else including the network. It has a 100hz CTCSS tone like the other repeaters.

Whitepass Viewpoint (14.1km) – VY1RSS - Richard (open 9:15pm to 2:45am) - 441.9+ (Miners Ridge UHF Repeater) primary - 146.52 (Miners Ridge Remote Base) secondary. From certain locations with a good antenna you can also access 147.24+ (Panacea).

Outhouse Hill (Summit) (24.3km) – VY1DW - Doug (open 10:15pm to 4:00am) – 441.9+ (Miners Ridge UHF Repeater) primary - 147.24+ (Panacea) or 147.36+ (Atlin) secondary.

Canada Customs (35.5km) – VY1MAP - Terry (open 11:15pm to 4:30am) - 441.9+ (Miners Ridge UHF Repeater) primary - 147.36+ (Atlin), 147.24+ (Panacea), and 147.18+ (Montana) are all possible for secondary.

Tutshi (58.2km) – VY1AE - Adam (open 12:30am to 6:00am) - 147.24+ (Panacea) primary. 146.82- (Jubilee though may be down currently), and 147.36+ (Atlin) both possible as secondary.

BC/Yukon Border (78.7km) – VY1IRM - Ian (open 3:00am to 9:00am) - 147.24+ (Panacea) primary. 147.18+ (Montana), and 147.36+ (Atlin) are all possible as secondary.

Carcross (104km) – VY1MGS - Michael (open 5:30am to 11:00am) - 147.18+ (Montana) primary. 147.24+ (Panacea) and 146.82- (Jubilee) secondary. Walkers/8P Runners/Solo/Youth starts from 6:00am to 8:30am

Midway to Emerald (111km) – Spirit Lake Sign – No communications, just a timing station.

Emerald Lake (118km) – VY1GMG – Gerry (emergency comms only) (open 6:30am to 12:00pm) - 147.24+ (Panacea) primary. 147.18+ (Montana), and 146.94- (Pilot) all possible as secondary.

Midway to Annie Lake (127.1km) – White “Attn Hunters” sign – No communications, just a timing station.

Annie Lake (137.8km) – VY1CVL/VY1DY – Christa/Dyson (open 8:00am to 2:00pm) - 146.94- (Pilot) primary. 444.25+ (Haeckel) and 146.82- (Jubilee) secondary.
